Mastering APA Style Student Workbook (7th ed.)

Reflect on Your Learning Goals Activity

When you began completing the *Mastering APA Style Student Workbook*, you set learning goals for yourself. Now that you have completed the workbook, it is time to reflect on your progress. Answer the following questions to assess your learning and to identify areas for future growth.

To see your original learning goals, refer to the Set Your Learning Goals Activity.

How many of your learning goals did you meet or exceed?

How many of your learning goals do you still need to work on?

What are some of the most important things you learned about APA Style and effective writing by completing the workbook?

What areas of writing and APA Style do you still need to work on?

For the areas of APA Style that you still need to work on, what is your plan for improvement? For example, how could you get more practice? Who could help you?
